**GRAND**  
The Grand Instruments Company

### Message from **Team Grand**

We are a customer centric and quality conscious company, our chief aim is to utilize all energy, man power and technology to develop highest quality instruments.

Our commitment is towards winning customer confidence through exceptional service, customer experience and continuous improvement, which enhances our productivity and performance.

Today, **GRAND DEVICES** is fully equipped with the most modern machinery and supply chain to attain highest perfection in quality. Our manufacturing process and supply chain is continually reviewed through our total quality management process, not only to maximize productivity but also to guarantee that our products and services meet the highest quality standards.

**GRAND DEVICES** can manufacture 1 million instruments per month.

We also provide **PRODUCT LIABILITY INSURANCE** to our valued customers on demand.

Our focus is to assure that our customers get exceptional services and **GRAND DEVICES** become one stop solutions for customer seeking high quality beauty instruments, surgical instruments, dental instruments & jewelery and watches tool.

Thank you for choosing Grand products

With Best Regards,  
**Team Grand**

## Who we are (about)

GRAND DEVICES was established in 1999 as a surgical instrument manufacturing company. Our company specialized in surgical, veterinary, dental, beauty, jewelry, and watchmaking tools. Our vast experience of over two decades enabled us to establish a fine-tuned relationship with our worthy customers worldwide, by working hand in hand with our passionate team to proceed with challenging projects and created valuable solutions. With an efficient in-house workforce and socially responsible vendor management, Team Grand is maintaining the international market standards and assuring all safety aspects. In-house, innovative technologies are also in use for flawless and time-effective services.

THE  
**GRAND**  
INSTRUMENTS  
COMPANY

**BEAUTY**  
INSTRUMENTS

## OUR VISION !

Working hard to be the industry leader by providing timely, fault-free services. To maintain a long-term relationship with key clients and enhance the use of modern technologies to speed up the operational processes. Work for safe work environment and to prefer quality raw material suppliers.

## OUR MISSION !

Our primary mission is to improve service delivery processes at the international level to secure more positive feedbacks & Aiming for unique and excellent manufacturing standards with no-compromise attitude in quality standards at any cost.

# CONTENTS
